Statement of Significance (use continuation sheet if necessary)

This structure is located in the S½ of lot 14, block 42 of Springfield and the property was acquired by a local contractor O.P. Woodcock in 1903 from the Springfield Co. Woodcock sold the property to a Wm. Tidd in March, 1904 and immediately took out a mortgage from Woodcock. It is presumed that Wood-cock, who owned the entire lot 14, built this house and the adjacent house on the N½ of the lot, in 1904. The house is late Victorian archi- tecture with classical columns adorning the front (east) facade.
